

Onboarding

Strategies, Joining Fees & Affiliate Program

Our Onboarding Approach.

At Global Click, we recognize the challenges of exploring new business ventures. That's why we offer a risk-free way to explore our opportunity.

Using our **POWERLINE**-driven marketing system, you can reserve a FREE position on our platform, allowing you to access our back office to conduct due diligence and to comprehensively understand Global Click's potential.

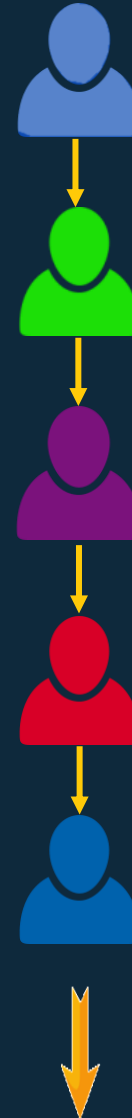

We firmly believe that transparency and information are key to making an informed decision about whether Global Click is the right fit for you.

The PowerLine.

In a fresh take on the traditional affiliate program, the **POWERLINE** stands as a unique global line. When you register, the system instantly reserves your FREE position in the **POWERLINE**.

Following your registration, it displays everyone who joins after you, positioning them directly beneath you in the **POWERLINE**.

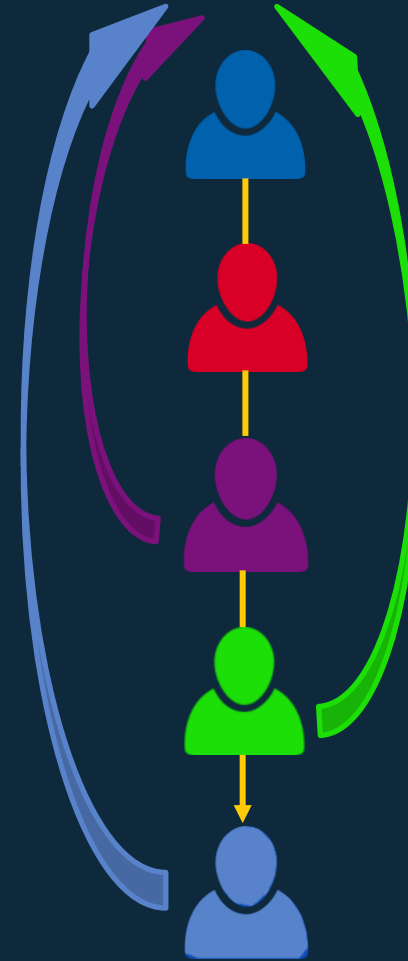

The PowerLine.

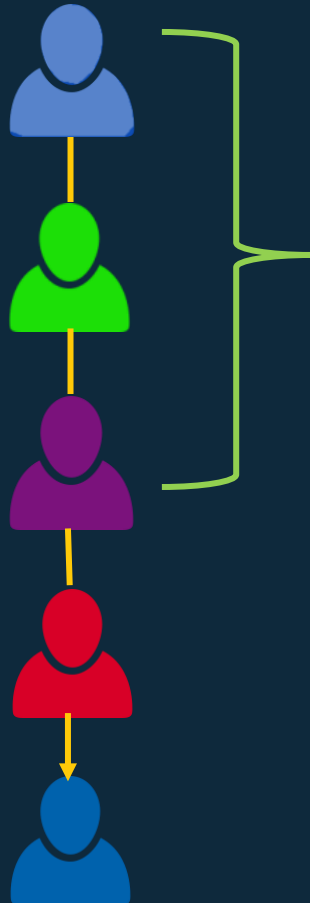

To join Global Click and its Affiliate program, there's a \$10.00 Membership fee and a one-time \$50.00 Affiliate sign-up fee.

To maintain access to the member-centric platform tailored for business networking and referrals, an annual fee of \$120.00 or a recurring periodic platform fee of \$10.00 is required.

Members who've paid the Membership and Affiliate sign-up fees are prioritized, moving to the top of the **POWERLINE** ahead of those who delay.

The PowerLine.

Every Saturday at 23:59 (GMT), the system will position all members who have paid their Membership and Affiliate sign-up fees into two (2) global fast-filling 2 x 15 matrices

- The Passive Global Matrix
Placement is auto-filled, sequenced by the order, time, and date of payment.
- The Active Global Matrix
Placement follows the sequence of their enroller.

The Affiliate Program

As an Affiliate with GlobalClick, you have access to **Four (4)** income streams, allowing you to earn both passively and actively:

- Direct Referral Commission
- Passive Global Matrix Commission
- Active-Matrix Commission
- Mega Matching Bonus

The Affiliate Program

In GlobalClick, ranks signify achievement levels within the affiliate program and factor into commission calculations.

These ranks are determined by the number of active, directly recruited members who've settled their periodic platform subscription fees. Ranking is updated weekly following the FIRST periodic cut-off.

Rank	Sapphire	Emerald	Ruby	Diamond
Number of Active Direct Recruits	2	6	10	15

Direct Referral Commission.

You will earn a **US\$25.00 (50%)** Direct Referral Commission for each person you successfully refer to the platform who becomes an Affiliate by paying the US\$50.00 one-time signup fee.

Additionally, if any of the people you enroll choose to enroll others, not only will they be rewarded with a Direct Referral Commission, but you will also receive additional Direct Referral Commissions up to 10 levels deep (depending on your qualified Rank).

Matrix Commission.

There are two types of Matrix Commission

1. Passive Global Matrix Commission:

This commission relies on the placement of affiliates in the global 2 x 15 matrix. Affiliates are positioned through an auto-fill sequence, going from top to bottom and left to right, based on the order of payment and its timestamp.

Earnings:

- US\$0.30 for every new affiliate auto-filled into your 2 x 15 matrix. Max earning up to \$19,663.20
- US\$0.10 from each periodic platform subscription fee paid by affiliates within your 2 x 15 matrix.

Matrix Commission.

2. Active-Matrix Commission:

This commission is determined by the positions occupied in your personal 2 x 15 matrix, originating either from spillovers above you or from your direct recruitment efforts.

Earnings:

- US\$0.20 from each periodic platform subscription fee paid by affiliates within your 2 x 15 matrix.
- Commissionable amounts from Advertisement placement fees, Boosting fees, and Marketplace placement fees paid by affiliates in your 2 x 15 matrix

Guidelines

Powerline Status Explained:

There are three (3) distinct statuses within the POWERLINE system:

- **Pending:** This is your initial status upon registering as a pre-enrollee.
- **Pre-Active:** Once you upgrade and settle your membership fee of \$10.00, along with the one-time \$50.00 Affiliate sign-up fee, you'll be moved to this status.
- **Active:** Post the Saturday midnight cut-off, your status transitions to "Active", and your 2 x 15 matrix is established.

Guidelines

Payment Methods for Membership and Affiliate Fees:

At present, we offer two convenient methods:

- **Cash Wallet:** Top up your Cash Wallet with \$60.00 using either USDT (TRC20) or BUSD (BEP20).
- **E-Code:** Think of the E-Code as a preloaded shopping gift card, valued at \$60.00. Upon entering a valid e-Code during registration, the process is completed immediately.

Guidelines

How to Withdraw Your Earnings:

After the weekly cutoff on Saturday, you're eligible to withdraw your earnings starting Sunday. Feel free to initiate withdrawals multiple times throughout the day, with a minimum amount set at 10 USDT/BUSD. Additionally, be aware of applicable admin and withdrawal fees.

1. Withdrawals are typically processed within 24 hours from the time of request.
2. Funds are transferred to decentralized crypto wallets that support USDT TRC20 and BUSD BEP20.
3. Alternatively, you can also convert your earnings into E-Code.

Earnings Disclaimer

At Global Click, we pride ourselves on offering an opportunity for individuals to grow their business and potential income. However, it's important to understand that individual results may vary and there's no guarantee of specific outcomes.

While some members may choose the **SLOW** route, patiently leveraging the benefits of spillovers and experiencing gradual growth, others might opt for the **EXPRESS** lane, rapidly expanding their network and potentially seeing quicker returns. Regardless of the chosen approach, it's essential to recognize that both methods require effort, dedication, and strategic planning.

Global Click makes no promises or guarantees regarding specific income levels.
